Slow Heat is set in a world populated by male non-shifters with wolf-spliced DNA, there are alphas, omegas and betas and each has their own role in their society. As world-buildings go, Ms. Blake did a great job, giving detailed background information so the reader knew what they were getting into. As paranormal books go, this one was pretty good!

After reading Leta Blake's *Slow Heat* and loving it, I rooted around my Kindle looking for more of her stories and found *Training Season*, which I hadn't read. I was about a third of the way through when the audiobook came out, so I stopped reading and started listening from the beginning instead.
