The Victorian Government continues its investment in medical specialist training through the Victorian Medical Specialist Training program. The program provides support for health services to increase the number of accredited specialist training positions in public hospitals and build the capacity of the specialist medical workforce throughout Victoria.

The figure of the governess - The British Library

A governess is a woman employed to teach and train children in a private household. In contrast to a nanny (formerly called a nurse), she concentrates on teaching children, rather than caring for their physical needs. Her charges are of school age rather than babies. The position of governess used to be common in well-off European families before the First World War, especially in the ...
