It documents the intended and unintended  
consequences—beneficial and negative—arising for both  
Indigenous and non-Indigenous Australians from the realities of  
contested governance. The findings suggest that the facilitation  
effective, legitimate governance should be a policy, funding and  
institutional imperative for all Australian governments.

Transforming Cities Contested Governance And  
Transforming Cities examines the profound changes that have  
characterised cities of the advanced capitalist societies in the f  
decades of the twentieth century. It analyses ways in which  
relationships of contest, conflict and co-operation are realised i  
and through the social and spatial forms of contemporary urban  
life. This book focuses on the impact of economic restructuring  
and ...
