Enlightenment | Definition, History, & Facts | Britannica

The Age of Enlightenment was an intellectual and philosophical movement that dominated the world of ideas in Europe during the 17th to 19th century. The Enlightenment emerged out of a European intellectual and scholarly movement known as Renaissance humanism. Some consider the publication of Isaac Newton's Principia Mathematica as the first major enlightenment work. French historians traditionally date the Enlightenment from 1715 to 1789, from the death of Louis XIV of France until the outbreak
