***The Business Buying Decision Process | Boundless Marketing
The business process camp argues that a company is interested in how to get things done and process models are an excellent depiction of how the business flows. They claim that since capabilities are self-contained and abstract concepts, they only capture the structure, but not the flow. Furthermore, they lament that just because one uses a noun instead of a verb, a process does not become a ...***

Stages of the Business Buying Decision Process. The main difference between B2B and B2C is who the buyer of a product or service is. The purchasing process is different in both cases and the following is a list of the stages involved in B2B buying: Step 1: Recognize the Problem. Machine malfunction, firm introduces or modifies a product, etc.
