The technology tree, more commonly known as tech tree, shows available units, buildings, and technologies for a certain civilization in Age of Empires and Age of Empires II.Each civilization has its own unique technology tree. Unless the square All Techs is checked in the settings prior to the beginning of the game, only a limited number of units, buildings, and technologies are accessible for ...

List of oldest trees - Wikipedia

Finding the age of a tree by counting annual growth rings is called dendrochronology. Each growth ring has a lighter portion (springwood) and a darker portion (summerwood). Count the rings from the center out to the bark to find the tree's age. The rings also provide clues to the growing conditions.
