Trusts. Trusts are widely used for investment and business purposes. A trust is an obligation imposed on a person or other entity to hold property for the benefit of beneficiaries. While in legal terms a trust is a relationship not a legal entity, trusts are treated as taxpayer entities for the purposes of tax administration.

Trusts Textbook
The use of testamentary trusts is becoming an important part of estate planning. As a result, students who want to make a living as probate attorneys will need to know how trusts fit into estate planning. In addition, bar examiners realize that it is important for students to have a basic knowledge of trust law. That realization will result in bar examination questions that test that knowledge.
