TV Guide not working - Sky Community
I seriously cannot find a way for that not happening, I've tried everything, and telling me that it works for you isn't helping my situation as it may not work fine for everyone! It's ridiculous how Sky is making their online TV guide this bad that it doesn't even work for some people (myself included)!

Online TV Listings not working at all | AT&T Community Forums
The "Guide" has not been working since yesterday. The 07:35 time must have been on August 19th. It is hard to understand how a service provider like DTV has built-in single points of failure. A data center switch can be swapped out in minutes. Not days. Alas, it is understood we have to run with whatever explanation offered by DTV.
