Type Matters! by Jim Williams

' type matters! ' BY JIM WILLIAMS (MERRELL PUBLISHERS) The following text is (Jim Williams own words) taken from the book and explains how the book originated and how it came to be published

Type Matters! | Jim Williams | typetoken®

Type Matters is intended as an introductory guide but there ' s something for every level of type user in this book (the reader ' s marks spread taught me some things I hadn ' t seen before) and it should be compulsory best practice reading for anyone studying or working in graphic design. Type does matter, it ' s the cornerstone of written communication, and Jim Williams ' unassuming reference book is highly recommended.
