Glad you're enjoying Body Politics. Melania and Stephanie are two different heroines, that's true. My goal in Unexpected Consequences was to introduce readers to the Rod and Cane Society. I was intrigued by real-life practitioners of DD who keep their practice secret from their children and families.

**review 1: I really loved the play between the main characters their jobs and the discipline aspect. The dichotomy well, it really made me think about it and them. I actually found myself talking to the hubs about it. The secondary character Liz really helped to develop both characters. The only reasons it didn't get a 5 from me is that there were a few parts that seemed a little out of character.**
