Sarah Vowell starts her willfully cutesy-pie book "Unfamiliar Fishes," about the Americanization of Hawaii and America's imperial ambitions, asking this question about the takeout meal she has...

Unfamiliar Fishes by Sarah Vowell - Goodreads

As a history nerd I always enjoy reading Sarah Vowell. She makes me laugh at the mistakes that people of the past have made and always insight to their motives of why they did what they did. I enjoyed *Unfamiliar Fishes* but I there was a lot borrowed from previous books less insight than I usually get from her books.
