The Uniden Bearcat BCD325P2 Police Scanner has the very best "P25" flawless reception. Much better than the 6 Uniden scanners I currently own and 3 Whistler scanners. It has awesome digital radio reception. My only complaint is the very short one hour to two hour rechargeable battery life. R. Young 03-15-2018 Was this review helpful to you?

The TRX-1 handheld scanner is about half an inch taller and slightly less than half an inch wider than the BCD396XT and about the same thickness. The TRX-1 has a bit of a boxy feel to it and at first glance has a kind of early 80's retro look about it. It does not seem to be well suited for shirt pockets, a bit too large and bulky.
