? Alison Allen-Gray "Any person created through cloning would be a new person-a body, mind and soul with experiences unique to themselves. Biologically, a clone is no different to an identical twin-albeit an identical twin born into another time and place. However, we should look not only at the biology but at the question of intention.

Novel Quests Unique - CCEA

Genuinely enthralling (The Guardian) Allen-Gray writes in an easy, readable style, raises stimulating questions, and offers a plot that keeps you guessing throughout. (The Financial Times) This excellent novel is several things at once... its pace, tension and ever-present danger are worthy of a latter-day John Buchan...
