United States History & Geography covers the history of the United States from the time before European settlement, and brings the past to life for today's high school students. The program includes a strong emphasis on biographies and primary sources, document-based questions, critical thinking and building historical understanding, as well as developing close reading skills.

United States History And Geography

Acces PDF United States History And Geography Modern Times

The original 13 colonies of the United States were formed in 1732. Each of these had local governments and their populations grew quickly throughout the mid-1700s. During this time, tensions between the American colonies and the British government began to rise, as the American colonists were subject to British taxation without representation in the British Parliament.
