### Stephen King on the Kindle and the iPad | EW.com

Stephen King, American novelist and short-story writer whose books were credited with reviving the horror fiction genre in the late 20th century. His books gained their effect from realistic detail, forceful plotting, and King's ability to involve and scare the reader. Obsession was a recurring theme in his work.

### Amazon.com: Customer reviews: UR

UR is an extremely short novella, and also happened to be my introduction to Stephen King. The premise is pretty fascinating - a university English professor, Wesley Smith, orders an Amazon Kindle after a fight with his girlfriend, during which she rages at him for spending too much time reading books.

**Editions of It by Stephen King - Goodreads**

I always have high expectations of Stephen King stories and UR was not to disappoint. Taking only around an hour to read, Stephen King manages to successfully draw the reader in and create a memorable and thought-provoking story which I thoroughly enjoyed. The story, whilst being purely fantastic in nature, manages still to be believable.
