I'm experiencing the same problem, this planet tablet freezes at start up, i've tried to reset (holding the volume down button and start button together for 3 seconds) it then goes to factory reset mode, run it course and tries to reboot then flashes off and on and freezes again at start up, it is fully charged, when i hook up the usb to the computer, both the lap top and desk reconize the ...

User Guide For Planet Tablet

Planet Tablet is used for the short-term treatment of digestive diseases in which stomach acid and bile flows back and irritates the food-pipe, also known as GERD. It is a prescription medicine. This medicine works by suppressing the production of acid in the stomach. Planet is also used for the management of inflammation and irritation of the food pipe.
