Looks like I'm late to the party... I am also looking for manuals for a 2001 JCB 214S 4x4x4, Serial Number is in the low 900000's, so all the manuals I've come across aren't applicable. Looking for Service, Operators, Parts and looks like there may be another document for fluid specs??? Any help with these would be greatly appreciated. Thanks!

The yellow color of special equipment was first used by Caterpillar - a brand with a long history of special equipment production. JCB cars were originally painted blue and red. But the decision to change the color was made, first of all, because the yellow color on the construction site draws attention to itself, which means it calls for attention.
