Want help designing a photo book? Shutterfly can create a book celebrating your children, family vacation, holiday, sports team, wedding albums and more.

Managing The Environment - United States
Environmental ...

The ancestors prepared the world for humans through specific rituals using special objects. The rituals established order and served as the foundation for Navajo religious practice, even as practiced today. In one ritual, the ancestors created a painting on the grow1d, in which they depicted all that was going to exist in the world.
