Vanilla: Megan Hart: 9780778318552: Amazon.com: Books
Vanilla is an intriguing story where the heroine prefers to dominate men and the hero is used to being on top. Elise is very much a multidimensional character and not a stereotypical domme. Megan Hart yet again brings main and secondary characters who seem very real with their complexity and imperfections.

Una cosa que sé con certeza cuando recojo un libro de Megan Hart es que me sorprende y con *Vainilla* también lo hizo; este es un autor que nunca escribe el mismo libro dos veces. En lo que puede contar es en personajes en situaciones realistas con emociones son tan genuinas que saltan de la página.
