Vetus M205 Marine Diesel

I have a sabre with a vetus m205 engine. I dont have the user manual. One of the warning indicators on the control panel is activated, it looks like a water level indicator but the header tank is full. The lights form the bottom are glowplug, battery, water, oil, then another water. it is the 3rd form the bottom that is lit. the engine doesn't seem to be overheating, there is plenty of fresh ...
