Directed by Chris Durlacher. With Ben Addis, David Nellist, Patrick Warner, Robert Whitelock. Mixing narration with 'talking heads' portrayals of eye witnesses this tells how, in July 1864, elderly banker Thomas Briggs is found dying on railway lines near Hackney. He had been hit on the head, robbed and his body thrown from the carriage - making him the first ever murder victim on a train.

The railways were to transform Victorian Britain and their development went hand-in-hand with two key industries: iron and coal production. The audio resources on this page explore three important ...

### **Why Were Railways Unpopular In Victorian Times ...**

Thundering along at previously unimaginable speeds, early steam locomotives were a frightening prospect for their Victorian passengers. Before the opening of the first major railway line, the Liverpool & Manchester in 1830, there were fears it would be impossible to breathe while travelling at such a velocity, or that the passengers' eyes would be damaged by having to adjust to the motion.
