The Chrysler Slant-6 engine was a clean-sheet design, led by Willem Weertman, later Chrysler's chief engine designer. Its characteristic 30° inclination of cylinder block gives it a lower height overall engine package. This 30° inclination had already been used by Mercedes-Benz in their 300SL sports car with L6 engine since 1952.

Volare by Gipsy Kings was published in 1989 in their album Mosaïque. This song was inspired off of the original version of Volare, which was published by Dean Martin and sung in Italian. Gipsy Kings took the lyrics and decided to sing them in Spanish, excluding the chorus, which they left in the original language.
