Recently, we asked our members to describe their experience with the Volvo Penta IPS drives in their boats. Our members are responding and their answers should answer a lot of questions for people considering buying a new boat this year with IPS drives. The following answers have come from members of BoatTEST.

Volvo Penta IPS – The inside story

For nearly a decade, pod propulsion looked like it would render inboards obsolete. So why hasn't it happened? At the 2005 Miami Boat Show Volvo Penta introduced its Inboard Performance System (IPS) and changed forever not only the way we run our boats but the way we think about running them.
