The manual is structured so that it can be used for reference. For this reason, it should be kept in the vehicle for ready access. Do not export your Volvo to another country before investigating that country's applicable safety and exhaust emission requirements.

Manual Transmission in XC90? [Archive] - Volvo XC Forums
FYI there's a HUGE problem with T6 transmission. Volvo is in denial. They say, "We don't have a lot of problems with this transmission." Nothing could be further from the truth. My second one just failed at 73,000 miles. Not only is this a defective transmission, but they've done nothing to produce a fix.

Volvo Xc90 Manual Transmission Problems
Transmission problem was unexpected from Volvo. We have a XC90 that has recently developed a transmission problem which they estimates will, cost \$3-4,000. Plus there is no guarentee it will resolve the problem with the GM transmission which Volvo used for this vehicle. They strongly encourage to unload the Volvo.

2005 Volvo XC90 Transmission Problems | CarComplaints.com
The 6-speed automatic transmission used in the 2005-2014 Volvo XC90 is known for issues with harsh shifting, especially while the transmission is slightly warmer than normal operating temperature.. This is accompanied by slight transmission slippage, and is common with this transmission in various makes and models. The transmission software sometimes causes the slipping and harsh shifts, but ...

Volvo XC90 workshop repair manuals free download ...
Like the topic says im thinking about future transmission swap in my T6. I know that those USA gearboxes are weakest link of the car and I am preparing for future problems. Now nearing 300k km. I know that T6 never came with manual transmission, but the 2.9 model came with manual. I can buy crashed S80 with 2.9 and manual gearbox pretty cheap.

Automatic Transmission Problems of Volvo XC90 - part 1

TrueDelta | 2006 Volvo XC90 transmission Problems
One of our current family cars is an 01 v70, 2.4M (5 speed manual). The car, for the most part, has been pretty good to us. We are sort of outgrowing the car and considering bigger capacity options. One that is on the list is, of course, the XC90. In Europe the 2.5T is offered with a 6 speed manual transmission. I know it is not officially offered here in the States.
