VOSTOK is the latest addition to an ever-growing list of Steve Alten novels ruined by the author's insistence on cramming his nutty political and religious viewpoints down readers' throats. Worst of all, he saves this crap for the second half, after you're already invested in the story. Put the book down and walk away.

Vostok by Steve Alten - Goodreads

Steve Alten takes a Steven Greer sermon and turns it into a monster story, The result is a didactic but sometimes thrilling book. Not a to Lake Vostok IMO and at times it's downright annoying if you arew familiar with The Disclosure Project.
