Compatibility List & Wiring Diagrams - The Temple of VTEC

I asked this question because my car has had that 3 stage engine, but then it got swapped for a normal D15B vtec-e though !... Indeed my current ecu is a P2J - now as far as i'm concerned the only thing i can spot of a vtec-e on my current engine is simply the vtec-e valve cover. Everything else looks like a normal d15b vtec.
