User guide. Make sure that you post actual questions. That is, something that can be answered. If you want to, you can post items anonymously. Make sure that answers address the question. Even if a question already has an answer, multiple perspectives can be good. Stay on topic. You can use comments to support, add to, or qualify a question or ...

Current Meter 20A/60A DC Low amp ... - Warwick Test Supplies

Warwick leaps in a direction (range = 250% current movement speed), suppressing the first enemy champion he collides with for 1.5 seconds. Warwick channels over the duration, dealing 175 / 350 / 525 (+1.67 per bonus attack damage) magic damage to his target and applying on-hit effects 3 times, while healing himself for the damage dealt.
