Exceptional Things That Great Teachers Do - ThoughtCo

'Do I really have to teach reading?' This is the question many teachers of adolescents are asking, wondering how they can possibly add a new element to an already overloaded curriculum. And most are finding that the answer is 'yes.' If they want their students to learn complex new concepts in different disciplines, they often have to help their students become better readers.

How to Develop Reading Fluency - All About Learning Press

Readers can be an excellent way to motivate your students and they should be a really enjoyable part of the course. Class readers If you have access to class sets of readers they can be an excellent teaching resource. The idea is that every student in the class has a copy of the same reader.

The aim of this site is to support educators, especially school librarians, as they work with each other and with their students to promote reading for deeper understanding.

Guided Reading Strategies - TeamTom Education

Her most recent one is called Passionate Readers, where she writes about her own journey from teaching reading through programs and activities to teaching in a way that honors books and develops a love of reading in every child. It's an awesome book. The best thing about it is how transparent Pernille is about her own doubts and struggles in this process.

What Readers Really Do Teaching

She is the author of Dynamic Teaching for Deeper Reading: Shifting to a Problem-Based Approach (2017), and coauthor of What Readers Really Do: Teaching the Process of Meaning Making and The Power of Grammar: Unconventional Approaches to the Conventions of Language. Vicki is also author of the novel The Jungle Law.

How to Stop Killing the Love of Reading | Cult of Pedagogy

The teacher should read the read aloud book longer. Less 'Sit at your desk, honey.' We need to share our books, like maybe having partners that we talk to every time so we can interact about our books. Act out more scenes from the book in reader's theatre. A more comfortable place to sit!

Professional Development | Really Great Reading

The art of teaching teachers how to teach reading Part of what Teaching Matters tries to do is change the culture, ... they don't really teach you how to do guided reading.

Strategies - What Readers Really Do

We're not really trying to find out any new information but simply trying to confirm whether what we want to do is possible. On the other hand, in the second text we may know our friend has gone on holiday and we may even know where, but hopefully the rest of the information is new to us - although not too full of surprises (and fitting the conventions expected).

Using Graded Readers | TeachingEnglish | British Council | BBC

Guided reading puts the learners near the teacher. The readers receive immediate feedback on their use of the reading process. Students immediately try out the teacher's feedback. However, not all guided reading methods work the same! Some methods of guided reading really work better than others. Let's look at guided reading strategies that ...

Education: Teaching teachers how to teach reading - CNN

The Bottom Line on Improving Reading Fluency. Reading fluency develops gradually, but as you can see, there is a lot you can do to promote it. As long as your child has strong enough decoding skills, the next steps are to: Help build a strong vocabulary. Provide a good role model, whether that is you or fantastic audiobook narrators.
