Phillips Farm Hi, my name is Erin Phillips. I am a teacher by trade but have always found joy in making things with my hands. I come from a long line of gardeners. My grandmother had a tiny city lot in Cleveland where she utilized every square inch of land to grown something edible: pears, currants, tomatoes, peppers, apples, melons...

What's Happening on the Farm — July | 21 Acres

What's Happening on the Farm – mid June. 1 . We've been really happy with the vegetables we've been harvesting. The small root crops like the salad turnips and radishes have been incredible. Our greens have been really incredible too! Most of the areas of the farm we've planted this year have been planted without tilling first ...

Whats happening on the farm - Home | Facebook

An explosion of life on the farm As spring moves towards summer, there is an explosion of life across the farm. The fields on which carrots are being grown are now taking on a distinctly green hue. In just a few weeks the tops have grown strongly and steadily.
