TALK BACK | definition in the Cambridge English Dictionary

When your child talks back to you or refuses to do something you have asked, take a few seconds to remind yourself to stay calm, and think about what you are about to say. Do not threaten your child or yell at her, as these behaviors can cause the interaction to escalate. Simply state the behavior and remind your child of the consequences.

9 year old doesn't listen, talks back - Ask the Therapist

She can back talk to the cupboard, but it's not going to have much effect. If you're not there, that target isn't there for your child. It also allows you time to calm down. How we present ourselves makes all the difference with kids. If we don't get involved in the argument, then we don't take it on as part of our own problem.

Talk back - Idioms by The Free Dictionary

Talking back often stems from a teen's desire to get out of doing something he doesn't want to do. After all, the longer your teen can get you to engage in an argument, the longer he can delay doing what you've asked him to do. If you take the bait and engage in an argument, he can put off following your directions.
