Where Do You Hurt? May 11, 2014 Reed Young. Sports med articles are the most boring thing ever—no one wakes up one morning and thinks "I'd like to read about the plantar fascia today." That is ...

Does It Hurt
IUD uterine perforations are rare, but they may cause severe pain. They may also cause heavy bleeding and severe pain during sex. If pelvic or back pain is severe or persists, it may or may not be related to your IUD. You may have a pelvic infection, an unrelated medical issue, or an ectopic pregnancy, which is rare.

Where does it hurt? When I heard Ruby's story, it really landed in quite a beautiful way. I could remember, in my own life, times that people asked me a question — really asked from a place of caring presence — and, in those moments, how that opened up something in me.

Where Does It Hurt - Foot Solutions
The civil rights icon Ruby Sales names "a spiritual crisis of white America" as a calling of this time. During the days of the movement, she learned to ask the question, "Where does it hurt?" It's a question we scarcely know how to ask in public life now, but it gets at human dynamics that we are living and reckoning with.
