My Whirlpool Quiet Wash Plus 940 series dishwasher seemed to have shorted out this morning while in the drying cycle. I was standing next to it and heard a hiss. It emitted black smoke from the vent at the top right corner (soot blackened the plastic around the vent). It smelled like burning electrics/metal.

How to Reset a Whirlpool Dishwasher Control Board | Hunker

The Whirlpool Quiet Wash Plus dishwasher also has a utensil rack on the door. At first I thought I would love this feature, because it meant more room that I could pile dishes onto on the racks. But the utensils that I do place in the door rack very rarely come clean because there is no sprayer or direct water hitting them.
