When it comes to used sergers, you could do better. I had an opportunity to review

File Type PDF White Superlock 1934d Needle Size

this serger while visiting the used machine department at Factory Sew-Vac. While the stitches are good, there are other things that could turn you off. If, however, you don't mind working on a noisy machine that vibrates more than I think it should, you just might be happy with the White Speedylock Model 1600.
