Kaustav Dey: How fashion helps us express who we are ...

We are constantly focusing on innovating. We believe in the simple not the complex. We believe that we need to own and control the primary technologies behind the products that we make, and participate only in markets where we can make a significant contribution.

A Brand-New Version of Our Origin Story - The New York Times
No one thinks twice about a woman wearing blue jeans in New York City -- but when Nobel laureate Malala wears them, it's a political act. Around the globe, individuality can be a crime, and clothing can be a form of protest. In a talk about the power of what we wear, Kaustav Dey examines how fashion gives us a nonverbal language of dissent and encourages us to embrace our authentic selves.

Who We Are | Progressive
Who we are. AVERT is a UK-based organisation that has been working at the forefront of HIV education for the past 30 years. Through our award-winning educational website, other digital channels, and partnerships with local civil society organisations working in some of the hardest hit countries, we reached 10 million people last year...

Who We Are And How
"Who We Are And How We Got Here" provides an explanation of the rapidly evolving technology in layman's terms. Author David Reich then walks the reader through the new theories on how modern human populations came to inhabit various portions of the world. The changes are stunning, with the promise of more to come.
