One mistake is that we compare the scenario to the past instead of the possibilities. For example, if you lost your ticket on the way to the movies, you won ' t buy another one because you already spend the \$10. On the other hand, if you lost \$10 on the way to the movies, you would still spend another \$10 to buy the ticket.

The author begins by describing mistakes and explains how much of the world around us is designed in such a way as to expect us to see things clearer and remember things better than we actually do. The author also defines “ mistake ” and outlines some of the topics to be discussed in the book: similar mistakes that happen, what a person can do to make fewer errors and understanding the role of context.

Why We Make Bad Decisions – Errors in Odds and Errors in Value

Why We Make Mistakes is enlivened by real-life stories—of weathermen whose predictions are uncannily accurate and a witness who sent an innocent man to jail—and offers valuable advice, such as how to remember where you ’ ve hidden something important. You ’ ll learn why multitasking is a bad idea, why men make errors women don ’ t, and why most people think San Diego is west of Reno (it ’ s not).

Why We Make Mistakes (Summary) by Joseph T. Hallinan ...

In the book and in our compact summary of key insights, we ' re taught that every mistake has an explanation. By gaining insight into how and why errors occur, we can work to limit them and offer compassion to ourselves and others when they do happen, rather than pain and frustration. After all, we all make mistakes.
