In common-law jurisdictions, administration of an estate on death arises if the deceased is legally intestate, meaning they did not leave a will, or some assets are not disposed of by their will. Where a person dies leaving a will appointing an executor, and that executor validly disposes of the property of the deceased within England and Wales, then the estate will go to probate.

Wills, Trusts, & Probate: Administration & Litigation ...

The only federal law that even mentions private estates is the Estate Tax Code -- under the Internal Revenue Code -- which imposes a federal estate tax upon every estate at the owner's passing. Though the Uniform Probate Code was intended to be one, there will likely never exist a federal code that requires all states to adopt a nationwide standard for wills, administration or probate.
