Window Cleaning Solution Diy

Give your homemade window cleaner time to work. Spray, then wait a few minutes before wiping. Wipe dry with a clean microfiber cloth. If there's any laundry soap or other residues on your cloth, it could leave streaks. For this reason, never launder your cleaning cloths with those used for cleaning the car or other greasy jobs.

Homemade Window Cleaner - Top 4 Most Effective Recipes

A lot of things will work as a homemade glass cleaner, from rubbing alcohol to vinegar to soapy water, but single ingredients alone tend to have their own drawbacks. For example, vinegar does a decent job removing dust and water spots, but it doesn't cut through a lot of sticky stuff, and it tends to streak more than other cleaners.
