About | Whittaker Chambers
One such writer was Whittaker Chambers, whose autobiography Witness, published in 1952, details his life as an agent in the Fourth Section of Soviet Military Intelligence from 1932 to 1938, where he coordinated espionage activities with high-ranking United States government officials.

Witness – BBC | Whittaker Chambers
Whittaker Chambers' story, over and above its unexpurgated emotionalism (which may alienate rather than attract sympathizers) is inherently more dramatic than any of the red recantations (Budenz, Bentley, etc.) in the destiny he was to play in what he calls a "tragedy of history"; it is also fully fascinating as an anatomy of personal as well as political direction and misdirection, in a man who was to find that "the horror of treason is its sin against the spirit".

Witness by Whittaker Chambers (ebook) - eBooks.com
Whittaker Chambers had just participated in America's trial of the century in which Chambers claimed that Alger Hiss, a full-standing member of the political establishment, was a spy for the Soviet Union.

Whittaker Chambers (Author of Witness) - Goodreads
Most of us know Whittaker Chambers as the ex-Communist whose testimony convicted Alger Hiss. If he had just been that and nothing more, and if the Hiss trial had just been a due process of law and nothing more, only those with a taste for criminology would need to bother about the book I want to talk about,...
