Read Free Women In Ancient Egypt

An idealized version of women appears everywhere in the art of ancient Egypt, but the true nature of these women's lives has long remained hidden. Gay Robins's book, gracefully written and copiously illustrated, cuts through the obscurity of the ages to show us what the archaeological riches of Egypt really say about how these women lived, both in the public eye and within the family.

Women in Egypt - Wikipedia

Compared with their counterparts in ancient Greece, Rome, and even more modern places around the world, ancient Egyptian women had a greater range of personal choices and opportunities for achievement. Women such as Hatshepsut and Cleopatra VI even became pharaohs, while others wielded power as Divine Wives of Amun.
