structure, spelling, etc.

Writing to Read 2000 V3.00 - Bright  
Blue Software

Writing a summary requires students to read more closely. Since they must read a text more than once to get a sense of the ideas presented, students will recognize and maintain more information than they would from just a single read. The students need to ask questions while reading the text, which they'll use to help them find answers as they read. As students read the text more closely, they'll also take notes and search for the important points needed to write a summary.
