But as someone who is new to all this game has, I'm still scratching my head at multiple parts. So, rather than a beginner's guide, is there any suggestions or straight up a "this is what you need to do" for someone who is a bit bullheaded like me. I want to love the game, I want to enjoy the game, but I'm a bit stump on how to do anything.

So, i'm pretty much a newbie when it comes to X3 AP. I've played and just finished X rebirth's main plot pretty recently, and that may be the Reason why i'm picking up the game faster than most newbies can. I installed XRM in hope that it will somehow rebalance the game, because rather favor gameplay than graphic, and because i have heard that the ingame vanilla ships have this problem with ...

X3 Noob Guide
Ok, got my X3 on Friday and just got it installed today. Took all of 30 min including the desoldering (v1.0). Pretty straightforward. With all the research leading up to the install, I compiled a list of urls with useful info and put it together into kinda a noob survival guide written by a n00b, for n00bs.

X3 Beginners Guide
Starting X3TC for the first time can be very confusing at first - countless icons floating around the screen, without a clue what to do. In this guide, I plan to explain what's going on and how to play X3/X3TC. The first thing is to start X3TC and get onto the main menu, like so:
