How to take Yasmin birth control pills - 5 steps

Yasmin actually helped me having a clear and softer skin, even if I believed that this is just a myth. My biggest concern was will I gain a weight, but it seems that Yasmin is a birth control that doesn't make you gain weight, at least in my case. So, when the time comes to stop using those pills, I was consulting anyone who I could on how to prevent acne to show up.
