The book helps you evaluate if you are going through life out of i.

Get Type Bengali - Microsoft Store en-IN

However I am not sure if you can install just Publisher 2002 with Office H&S 2016 already installed. If you try it then be sure to do a custom install rather than the default, uncheck all other components of Office 2002 except for Publisher and I would install it in a custom directory rather than the default.
