Zen of Code Optimization: The Ultimate Guide to Writing Software That Pushes PCs to the Limit

The General Task of Code Optimization - azillionmonkeys.com

I was a mere Visual Basic programmer when I found this book (along with The Zen of Code Optimization), picked it up on a lark, and I could barely put it down. It's that good. It's that good. Abrash isn't just a seminal figure in the software engineering community , he's also one of the best technical writers you'll ever find.
